

CURRICULUM VITAE

PERSONAL DATA

Name	FILIP ROXANA GHEORGHIU
Address	2, Dimitrie Onciul street, Bl. C3, et. 1, ap. 3, Suceava
Phone no.	0734 670300
Fax	-
E-mail	roxana_filip@yahoo.com;roxana.filip@usm.ro

Nationality	Romanian
--------------------	----------

Birth date and birth place	20.12.1966, Suceava, Romania
Present position	Professor of Microbiology, Head of the Tuberculosis and Molecular Biology Clinical Laboratory, Suceava Clinical Emergency Hospital

HIGH SCHOOL DEGREE

• Period	1981-1985
• Institution	"Stefan cel Mare" mathematics and physics high school, Suceava
• Profile	Mathematics and physics
• Graduation degree	Graduation diploma, Series B No. 55376

M.D DEGREE

• Period	1985-1991
• Institution	"Gr. T. Popa" University of Medicine and Pharmacy, Iasi
• Specialty	general medicine
• Graduation degree	Medical doctor; graduation diploma Series J No. 1081/1991

POST-GRADUATE DEGREES

• Period	1992-1995
• Institution	"Gr. T. Popa" University of Medicine and Pharmacy, Iasi
• Specialty	Clinical laboratory residency – microbiology, parasitology, virology, hematology;
• Graduation title	M.D. specialized in Clinical Laboratory

• Period	1999-examination for becoming a Senior Physician
• Institution	"Gr. T. Popa" University of Medicine and Pharmacy, Iasi
• Specialty	Clinical laboratory residency – microbiology, parasitology, virology, hematology;
• Graduation title	Senior Physician specialized in Clinical Laboratory

• Period	1999
• Institution	"A.I.Cuza" University, Iasi
• Subject	Course on psychopedagogy
• Graduation degree	Course graduation diploma

• Period	2002
• Institution	"Gr. T. Popa" University of Medicine and Pharmacy, Iasi
• Subject	Health Management;
• Graduation degree	Course graduation diploma

• Period	2005-2006
• Institution	"Stefan cel Mare" University, Suceava

• Subject	PC operator course
• Graduation degree	Course graduation diploma series D No. 0007829;

• Period	15-30.03.2014
• Institution	“Gr. T. Popa” University of Medicine and Pharmacy, Iasi
• Subject	Quality Management in Laboratory Medicine;
• Graduation degree	Graduation diploma/ series I 0024456

PHD DEGREE

• Coordinating Institution	“Gr. T. Popa” University of Medicine and Pharmacy, Iasi – since 1995
• Field of research	Microbiology; Scientific coordinator: Professor Dr Dumitru Buiuc, member of the Academy of Medical Science
• Title of the PhD thesis	“Genotype and phenotype characterization of beta-lactamases produced by <i>Enterobacteriaceae</i> strains specific to Europe”
• Thesis presentation	1997 ; diploma series M No. 000956
• Title after graduation	PhD in Medicine, Microbiology Specialty

HABILITATION

• Coordinating institution	“Ovidius” University Constanta, Faculty of Medicine
• Field	MEDICINE
• Title of the habilitation thesis	“Role of molecular biology techniques in patient care- towards diagnostic stewardship”
• Thesis presentation	2023, 6 Noiembrie
• Title	HABILI Habilitation granted in MEDICINE FIELD to Mrs ROXANA FILIP“ from the Stefan cel mare University from Suceava, Faculty of Medicine and Biological Sciences Order from Ministry of Education, Nr. 3267/22.01.2024

OTHER SELECTED COURSES / TRAININGS

• Period	2018 1-8 August 2018
• Institution	Tuberculosis National reference Laboratory Leon Daniello Hospital, Cluj Napoca
• Training Program	Experience exchange one week
• Certification	Letter from dr. Daniela Homorodean, Head of the, Laboratory and Coordinator of the National Tuberculosis Programme Laboratories

• Period	2010-2013
• Institution	University of Medicine and Pharmacy, Bucharest; University of Medicine and Pharmacy, Cluj; “Victor Babes” Institute, Bucharest; “Cantacuzino Institute”, Bucharest; Goteborg University, Sweden
• Training Program	IMUNOLAB – Professional and organizational training of immunology laboratories employees by implementation of state of the art technologies and quality management; POSDRU /81/3.2/S/59497
• Certification	Continuous Medical Education diploma

• Period	20.11. 2011-26.11.2011
• Institution	University of Goteborg
• Type of Program	Exchange program
• Certification	Letter of Recommendation

• Period	13.12 2005-1.02.2006
• Institution	St Jude Children's Research Hospital, Memphis, Tennessee, USA

	Department of Pathology
• Type of Program	Specialization
• Certification	Letter of Recommendation from Randall Hayden – Head of Department

• Period	December 2004 - January 2005
• Institution	St Jude Children's Research Hospital, Memphis, Tennessee, USA
• Type of Program	Visiting Physician
• Certification	Letter of Recommendation from Randall Hayden – Head of Department

• Period	May 2003 - <i>Training for graduates</i> Ayshire, Glasgow, Scotland
• Institution	ESCMID- European Society of Clinical Microbiology and Infectious Diseases
• Type of Program	Training for graduates
• Certification	Certificate of Participation

• Period	6 th – 12 th of July 2002: ESCMID Summer School, Lausanne, Faculty member
• Institution	ESCMID
• Type of Program	Summer School
• Certification	Certificate of Participation

• Period	22 nd – 23 rd of April 2002 - Orta San Giulio, Italy
• Institution	ESCMID, Orta San Giulio
• Type of Program	Training for graduates: "Diagnosis, Characterization And Epidemiology Of Beta-Lactamases"
• Certification	Certificate of Participation

• Period	30 July - 1 November 1999: Profesor invitado la Cuernavaca, Morelos, Mexico
• Institution	Instituto Nacional de Salud Publica, Cuernavaca, Morelos, Mexico
• Type of Program	<i>Conferencia de Alta Nivel y Catedras Especiales</i>
• Certification	Certificate

• Period	1 May - 31 October 1996: Scholarship in London BSAC- Royal London Hospital College - Dr. David Livermore
• Institution	Royal London Hospital College, London
• Type of Program	<i>Scholarship</i> BSAC- British Society of Antimicrobial Chemotherapy
• Certification	Letter of Recommendation

• Period	February - March 1995 - Scholarship at Dr. David Livermore, granted by the company SmithKline Beecham SmithKline Beecham
• Institution	Royal London Hospital College, London, Prof. Dr. David Livermore
• Type of Program	Research Scholarship granted by the company SmithKline Beecham
• Certification	Letter of Recommendation

• Period	January – March 1994: CHU Ambroise Pare, Paris, Project: <i>A Study of the Mechanism of Resistance to Beta-Lactamic Antibiotics of the Enterobacteriaceae Strains isolated in Eastern Romania</i> Prof. Marie Helene Nicolas Chanoine
-----------------	--

• Institution	CHU Ambroise Paré, Paris France
• Type of Program	Scholarship from the <i>Association develop Etudes</i> - Project: A Study of the Mechanism of Resistance to Beta-Lactamic Antibiotics of the <i>Enterobacteriaceae</i> Strains isolated in Eastern Romania Prof Marie Helene Nicolas Chanoine
• Certification	Certificate of Participation

PROFESSIONAL ACTIVITY

• Period	1991-1994
• Place of work	"Gr. T. Popa" University of Medicine and Pharmacy, Iasi, Microbiology Department;
• Field of activity	Microbiology Junior Instructor
• Job title	Junior Instructor
• Main activities and responsibilities	<ol style="list-style-type: none"> 1. Preparation of microbiology practical experiments for 3rd year General Medicine students and resident physicians in the field of microbiology 2. Coordinating laboratory practice for 3rd year General Medicine students 3. Coordinating laboratory practice on Medical Microbiology for 2nd year Pharmacy students 4. Coordinating laboratory practice for students enrolled in English-taught classes 5. Preparation of demonstrative materials for the final exam – bacterial cultures, microscope slides
• Areas of competence	Medical Microbiology, Clinical Laboratory

• Period	1994-2000
• Place of work	"Gr. T. Popa" University of Medicine and Pharmacy, Iasi, Microbiology Department;
• Field of activity	Microbiology Junior Lecturer
• Job title	University Lecturer, PhD
• Main activities and responsibilities	<ol style="list-style-type: none"> 1. Microbiology lectures for 3rd year General Medicine students, modular system - teaching in Romanian and English and coordination of demonstrative laboratory practice for junior instructors 2. Coordinating laboratory practice and giving lectures associated with the special microbiology modules for resident physicians in the fields of microbiology, epidemiology, and infectious disease - teaching in Romanian and English 3. Preparing teaching materials for laboratory practice of students and residents 4. Coordinating the activity of Junior Instructors that prepare teaching materials 5. Preparing the materials needed for the final end-of-module practical examination for student and resident physicians 6. Participation as Commission Secretary in the Senior Physician exam
• Areas of competence	Clinical laboratory, microbiology, parasitology, hematology, virology

• Period	2000-2004
• Place of work	"Gr. T. Popa" University of Medicine and Pharmacy, Iasi, Microbiology Department;
• Field of activity	Microbiology Lecturer; Clinical Integration Senior Physician
• Job title	University Lecturer, PhD, Clinical Laboratory Senior Physician; Part-time Clinical Integration Lecturer
• Main activities and responsibilities	<ol style="list-style-type: none"> 1. Microbiology lectures for 3rd year General Medicine students, modular system - teaching in Romanian and English

	<ol style="list-style-type: none"> Coordinating laboratory practice of special microbiology modules for resident physicians in the fields of clinical laboratory, epidemiology, and infectious disease - teaching in Romanian and English Coordinating laboratory practice of microbiology modules for 3rd year General Medicine students and for 1st years Midwife Specialty students Coordinating demonstrative laboratory practice for junior instructors and junior lecturers within the Microbiology Department Contact person for the Rector of the University of Medicine and Pharmacy on topics related to the affiliation of the teaching curricula to European standards Responsible for overseeing microbiology practical examinations 3rd year General Medicine students and Midwife Specialty students Responsible for the organization and inauguration of the clinical integration laboratory affiliated to the "Saint Spiridon" Dermatology Clinic, Iasi (part-time job).
• Areas of competence	Clinical laboratory, microbiology, parasitology, hematology, virology

• Period	2004-22.08.2010;
• Place of work	CFR University Hospital, Iasi - Total Test, Suceava
• Field of activity	Clinical Laboratory
• Job title	Head of Laboratory
• Main activities and responsibilities	<ol style="list-style-type: none"> Organizing and coordinating laboratory activities; maintenance of the internal and external quality assurance system Management of means and resources directed at improving the efficacy of the activities performed Implementation of new investigative techniques intended to expand the range of services and improve the quality of care Coordinating the training of subordinated staff, enrolling nurses for participation in medical congresses in order to obtain CME credits Maintaining good working relationships with specialists in other fields in order to improve diagnostic quality
• Areas of competence	Clinical laboratory, microbiology, parasitology, hematology, virology

• Period	20.08.2010- 2.05.2018 2.05 2018- present
• Place of work	Hipocrat Laboratory, Suceava, full time Hipocrat laboratory, part time
• Field of activity	Clinical Laboratory
• Job title	Senior Physician, PhD, Laboratory Director
• Main activities and responsibilities	<ol style="list-style-type: none"> Quality assurance for the following departments: microbiology, hematology and immunology; maintenance of the internal and external quality assurance system Management of means and resources directed at improving the efficacy of the activities performed Implementation of new investigative techniques intended to expand the range of services and improve the quality of care Coordinating the training of subordinated staff, enrolling nurses for participation in medical congresses in order to obtain CME credits Maintaining good working relationships with specialists in other fields in order to improve diagnostic quality
• Areas of competence	Clinical laboratory, microbiology, parasitology, hematology, virology, immunology, scientific research methodology

• Period	2.05.2018- present
-----------------	--------------------

• Place of work	Suceava Emergency Clinical County Sf Ioan cel Nou Hospital, head of Laboratory of Tuberculosis diagnosis and molecular biology
• Field of activity	Microbiology
• Job title	Senior Physician, PhD, Professor Member in the Commission for Prudent use of Antibiotics in the Hospital
• Main activities and responsibilities	<ol style="list-style-type: none"> 1. Laboratory Diagnosis of Mycobacterium infections 2. Direct microscopic examination 3. Culture examination 4. Report of results in the National Tuberculosis programme 5. Accreditation of the laboratory
• Areas of competence	Clinical laboratory, microbiology, parasitology, hematology, virology, immunology, scientific research methodology

UNIVERSITY TEACHING ACTIVITIES

• Period	1991-2004	
• University	Gr. T. Popa" University of Medicine and Pharmacy, Iasi	
• Academic title	Junior Instructor (1991-1994), Junior Lecturer (1994-2000), Lecturer (2000-2004)	
• Main activities and responsibilities	• courses:	Microbiology courses for 3 rd year General Medicine students, teaching in Romanian and English
	• seminars and laboratories:	<ol style="list-style-type: none"> 1. Weekly laboratory practice on microbiology and virology for 3rd year General Medicine students 2. Weekly laboratory practice on microbiology for 1st year Medicine students, Midwives Specialty 3. Modular laboratory practice on special microbiology for Clinical Laboratory resident physicians and for Epidemiology and Infectious Disease resident physicians
	• scientific coordinator	Graduation Thesis coordinated (3) <ol style="list-style-type: none"> 1. Graduate Melinte Violeta 2. Graduate Ilas Simona 3. Graduate Schmidt Madalina
• Period	• 2012-present	
• University	"Stefan cel Mare" University, Suceava – Faculty of Medicine and Biological Sciences	
• Academic title	Associate lecturer/ Course coordinator	
• Main activities and responsibilities	Seminars and laboratory practice	-Epidemiology course and Laboratory for Physiokinetotherapy students, 1 st year, 1 st semester -Microbiology course and Laboratory for Nutrition and Dietetics students, 2 nd year, first and second semester - Immunology Hygiene course and Laboratory for Nutrition and Dietetics students, 2 nd year first semester
• Period	• 2022-February 2025	
• University	"Stefan cel Mare" University, Suceava – Faculty of Medicine and Biological Sciences	
• Academic title	Associate Professor	
• Main activities and responsibilities	Seminars and laboratory practice	- Microbiology course and Laboratory for Nutrition and Dietetics students, general Medical assistance students First year, second semester - Hygiene course for Nutrition and dietetics and Balneophysiokinetotherapy - Interpretation of laboratory tests medical general assistance, First year
• period	February 2025- present	
• University	Stefan cel Mare Suceava University, Faculty of Medicine and Biological Sciences	
• Academic title	Professor, Habil	
• Main activities	Courses, seminars, laboratories	-microbiology course for general assistance and technical dentistry students

		-Hygiene course for Medicine students -Clinical Biochemistry for Biochemistry students

PROFESSIONAL AFFILIATIONS

- Member of the Educational Committee of ESCMID (European Society of Clinical Microbiology and Infectious Diseases) since 2000 until present day – member of the organizing committee of the ESCMID summer school from 2001 to 2007 ESCMID member ID: 14332
- Abstract reviewer at ECCMID 2015 Copenhagen, 2016 Amsterdam, 2017 Vienna, 2018, 2019, 2020, 2021, 2022 (ESCMID certificate)
- Chair and co chair in ECCMID sessions

Distinctions

Honour citizen of Suceava since December 2021

Anastasie Crimca distinguish medal for involvement in health care community June 2022

Honour citizen of Suceava county, November 2022

TRAINING PROGRAMS ATTENDED ABROAD (SELECTION)

- 2016 September- Invited speaker in INSP Cuernavaca, Mexico, lecture on antibiotic resistance pattern in Romania
- 20.11-26.11.2011- Exchange program at the Goteborg University through the IMUNOLAB program
- 13.12 2005-1.02.2006- Training at St Jude Children's research Hospital, Memphis, Tennessee, SUA
- December 2004- January 2005- Training at St Jude Children's research Hospital, Memphis, Tennessee, SUA
- May 2003- post-graduate course in Ayshire, Glasgow, Scotland
- 6-12 July 2002- ESCMID summer school, Lausanne, Faculty member
- 22-23 April 2002- Orta San Giulio, Italy- post-graduate course "Diagnostics, characterization and epidemiology of beta-lactamases"
- 30 July- 1 November 1999: Invited professor at Cuernavaca, Morelos, México – through the program "Conferencia de Alta Nivel y Catedras Especiales" - 3 conferences that took place at The National Institute of Public Health
- 1 May - 31 October 1996: six months scholarship at London Hospital Medical College, Department of Medical Microbiology; Research project under the supervision of Dr. David M. Livermore
- February - March 1995: One month training, at London Hospital Medical College, Department of Medical Microbiology under the supervision of Dr. David M. Livermore, sponsored by SmithKline Beecham Pharmaceuticals.
- January - March 1994: specialization training at the Microbiology Department of CHU Ambroise Paré, Paris, France; project "study of resistance mechanisms of Enterobacteriaceae strains isolated in Eastern Romania against antimicrobial agents" - supervisor: Prof. Marie - Hélène Nicolas Chanoin

PARTICIPATION IN REPRESENTATIVE NATIONAL AND INTERNATIONAL CONFERENCES (SELECTION)

- May 2025 Invited Professor at Surakarta University, Indonesia and Ganesha University, Bali one week

2. April 2025 invited professor in Ivory Coast, Abidjan
3. December 2024- invited professor in Dakar, Senegal
4. March 2024 one week teaching programme at Vlore University, Albania
5. May 2024 International Congress of the Laboratory Medicine, Constanta AMLR
6. May 2024 International Congress of the History of Medicine Ciudad de Mexico; speaker and co chair
7. July 2023 International Congress of the History of Medicine, Ciudad de Panama, chair and speaker,
8. May 2023- faculte de Medicine de Tanger, Maroc; Universite Tetouan
9. March 2023- Instituto Politecnico de Braganca- program Erasmus, Escuela de Salud
10. 2022 ECCMID Lisboa- ESCMID chair at Sanofi symposium; abstract reviewer and late abstract reviewer
11. Chair poster session conference AMLR, Timisoara 2023
12. Invited Speaker Houston, May 2023
13. Co chair oral session ECCMID Copenhagen, April 2023
14. Invited speaker Houston, 4.11.22. Resistance mechanisms against beta lactam antibiotics . Beta lactamases.
15. SRM 3-5 noiembrie 2022 presenting author 2 lucrari si co chair sesiune orala
16. Romanian railway Clinic Hospital Days, Iasi October 2022- 2 papers and oral session chair
17. UMF Carol Davila Bucharest Days, 10-12 November 2022
18. INTERNATIONAL GÖBEKLİTEPE SCIENTIFIC RESEARCH CONGRESS " Istanbul, 7-8 octombrie 2022
Quinolone Resistance In Enterobacteriales urinary Isolates In An Outpatient Clinic From North Eastern Romania "
19. 4. INTERNATIONAL GÖBEKLİTEPE SCIENTIFIC RESEARCH CONGRESS " Biopolymeric Materials With Citrus
Essential Oils: Development, Testing And Benefits In Use"
20. World sepsis Congress, Belgrade, 12-14 September 2022
21. ISHM 15-8 sept 2022; co chair sesiune orala; 2 lucrari prezentate
22. 2022 speaker invitat Conferinta Contagio Agora Bolile Infecto contagioase in contextul migratiei accelerate, 3-4 iunie
2022
23. 2021- Conference of the Railway Hospital Iasi, Romania- oral presentation, November 2021;
24. 2021- Conference of the Pneumology Hospital Iasi, Romania; September 2021; oral presentation
25. 2018- Suceava Medical Days
26. 2017- AMLR Congress Timisoara May 2017 two accepted papers
27. 2017- EHB Conference Sinaia 3 papers in the abstract volume book
28. 2016- invited lecturer at INSP Cuernavaca, Mexico September 2016 – group of pro. Jesus Silva Sanchez
29. AMLR Congress in Cluj, May 2016 –one oral presentation
30. 2015 -ECCMID (European Society of Clinical Microbiology and Infectious Diseases) Copenhagen
31. 2014- ECCMID Barcelona
32. 2013- ECCMID Berlin
33. 2013- Suceava Medical Days – oral session co-chair
34. 2012- ECCMID Londra 31.03- 3.04
35. 2012- Suceava Medical Days – oral communications co-chair
36. 2011- oral session co chair ECCMID Milan, May 2011
37. 2008: oral session coordinator ECCMID Barcelona, April
- 38. 2007: co-director of the ESCMID summer school- Suceava, Romania**
39. 2007- oral session coordinator at ECCMID Munich
40. 2006- oral session coordinator at ECCMID Nice
41. 2005- oral session coordinator at ECCMID Copenhagen
42. 2004- oral session coordinator at ECCMID Prague
43. 2003- oral session coordinator at ECCMID Glasgow
44. 2003- Faculty member at ESCMID summer school, Utrecht, Netherlands
45. 2002- Faculty member at ESCMID summer school, Lausanne
